OUR 1957 REGISTRATIONS

ELISTONIA (1957) - Ev.M.Re. A7½ in. flower of creamy yellow with a delicate trace of purplish red, forms a most artistic color pattern. It's graceful form lends to its appealing beauty, foliage height 35 in., vigorous. **\$5.00**

PLEASANT (1957) - 33" Ev.M. very showy 6 in. bicolor, good substance, does not fade throughout the day. **\$10.00**

BILLIE LITTLETON (1957) 38" - Ev.M. A beautiful light lemon yellow with wide heavy heavy petals that open flat. Stands heat, rain, and stays open late evenings, good bloomer 6" flower. **\$3.00**

MAY DOZIER (1957) - 41" E.Re. Very unusual chartreuse wide spreading 7 in. flower with faint halo of raspberry spreading over the sepals and petals. Stays open late evenings. **\$15.00**

CHAPPIE (1957) - 42" M.Re. The most outstanding in size, richness of color, perfect formation. Super in every way. Blooms 8½ in. One you will always turn for a second look. Retains its fresh appearance throughout the day. **\$25.00**

Large crome yellow, faint eye zone
MISS LUCY (1957) - 42" E.Re. Very early light crome large 8½ in. flower, recurved petals and sepals resembling a bird in flight. All the good qualities that go for making a good day lily. Sun and rain resistant, repeats. **\$5.00**

FLORINE (1957) - 24" M.Re. One of the most unusual combinations of colors, eye-zone very large deep green with a margin of deep maroon, like a band around the edge of the 4 in. blossom. **\$5.00**

AUNT LEE (1957) - 41" E.Re. This flower is a very attractive rose, does not fade in either sun or rain. Glistens in the sun as if dusted with lavender. **\$10.00**
